

**QUESTIONNAIRE FOR SITE ASSESSMENT (STAGE-I) OF RIVER VALLEY
AND HYDROELECTRIC PROJECTS**

1. General Information

- A. Site Information
- B. Geographical Location

Village/s	District/s	Tehsil/s	State/s

C. Latitude

D. Longitude

E. Elevation above Mean Sea Level

F. Total Area proposed for the Project (in ha.), if any

G. Forest area (in ha), if any

H. Density of vegetation as per working Plan (If exists)

I. Nature of Terrain

J. Working circle.

II Details of site

Seismicity

1. Whether the proposed site fall in seismically active area

Yes No

If yes

2. What is the seismic zone?

III Objective of the project

A. Irrigation(ha)

B. Power generation (MW)

- C. Drinking water supply (cumecs)
- D. Industrial water supply (cu.m. /day)
- E. Flood control (area to be protected, in ha)
- F. Others (pl. specify)

IV Whether survey area falls within any of the following-

- i) National Park
- ii) Sanctuary
- iii) Tiger/Elephant Reserve
