D.O.No.11-83/2005-IA-III(II)

January 25, 2011

Dear Shri Yeddyurappaji -

You would recollect that I had written to you about our intention to replace the two decades old Coastal Regulation Zone (CRZ) Notification, 1991 because of the imperatives of balancing the coastal protection with economic development and what is more important to protect traditional coastal communities such as fishermen, toddy tappers, saltpan workers and tribals.

2. As you may be aware, I had myself attended a number of meetings with the coastal people, the fishermen associations and the State Governments. After this detailed optimization exercise, we have been able to issue the CRZ Notification, 2011 on 6th January, 2011, a copy of which is enclosed for your perusal.

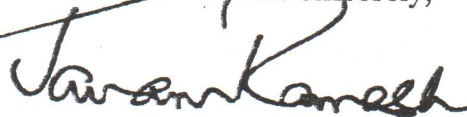

3. Further we have provided for a dispensation concerning the critically vulnerable coastal areas which includes Karwar and Coondapur in your State. We have already written to the Chief Secretary and the Environment Secretary of your State regarding the follow-up actions on the CRZ Notification, 2011.

4. Since, the new CRZ Notification, hopefully, is for the next few decades of our economic and social development, you may like to review its implementation and I shall be grateful to have your feedback and guidance.

With regards,

Yours sincerely,

Encl: As above
