My dear Praful -

I have already mentioned to you the need to develop the Juhu airport area which is owned by the Union Ministry of Civil Aviation as a green lung for Mumbai city. I have mentioned this in my public communication on the Navi Mumbai airport as well, of which you have a copy. I think it is absolutely essential to develop this area as a wonder biodiversity zone for the benefit of a city that is starved of open spaces and greenery.

Knowing of your deep commitment to environmental issues, I am confident that you will accept this idea. MoE&F, MoCA and the State Government can work together as a team on this project.

Very personal
With regards,

Yours sincerely,

Jairam Ramesh
