

India's Second National Communication (NATCOM) to the United Nations Framework Convention on Climate Change – Appointment of an Expert Consultant at the NATCOM Cell

The Ministry of Environment & Forests is looking for an expert in the area of climate change for appointment for a period not exceeding 15 months in the Project management cell of the National Communication to the United Nations Framework Convention on Climate Change (UNFCCC), an enabling project activity supported by the Global Environment Facility through the United Nations Development Programme, New Delhi. The position is purely temporary and in the NATCOM Cell located at Winrock International India (WII), New Delhi, which is the facilitating agency for the NATCOM.

Qualification and Experience:

The expert consultant should possess a doctoral degree and research experience in the area of climate change viz. Inventory development and uncertainty reduction therein, vulnerability assessment and adaptation with publications in peer-reviewed scientific journals. The consultant should have experience in undertaking projects in the aforesaid areas and should have experience in organization and coordination of related activities. The consultant should be well-versed with climate change issues and in particular the UNFCCC and the Intergovernmental Panel on Climate Change assessment reports. The candidate should have excellent oral and written communication skills, proficiency in English and use of computers.

Desirable Qualification:

The candidate should have proven ability in the area of specialization, evident in publications in peer-reviewed national and international journals.
