Invites Applications for the three posts in the PMG set up under the World Bank supported project for NGRBA

1. The Ministry of Environment and Forests has received a Project Preparation Facility (PPF) Advance from the World Bank for supporting preparation of an investment project for the National Ganga River Basin Authority (NGRBA). A Project Management Group (PMG) has been set up for the purpose. In this regard, applications are invited from suitable candidates for the following positions on contract basis initially for short-term assignment(six months to one year):-

Post No.	Designation	Educational Qualification	Experience & qualities	Salary in Rs. month
1	Project Officer (Waste and Waste Water Management) (one position)	Degree in Civil/Environmental Engineering Master's Degree preferable.	3-12 years (if Bachelor's) and 2-10 years (if Master's) experience in development and management of waste water infrastructure at progressively senior levels.	Rs. 40,000/- to 75,000/- (Consolidated)
2.	Basin Environmental Planner (one position)	Essential: Masters in Water Resources/ Environmental Engineering. Preferred: Ph.D	Experience of 3-12 years (if Bachelor's) and 2-10 years (if Master's) in development of basin management plans and water quality management	Rs. 40,000/- to 75,000/- consolidated
3.	Monitoring and Evaluation Coordinator (One position)	Degree in Civil/Environmental Engineering/M.Sc in Environmental Sciences/Ecology. Desirable-Masters in Engineering/Ph.D in Environmental Science/Ecology/related fields)	3-12 years if Degree in Civil/Environmental Engineering/M.Sc in Environmental Sciences/Ecology and 2-10 years if Masters in Engineering/Ph.D in Environmental Science/Ecology/related fields), experience in design and implementation of project monitoring and evaluation systems. At least 5 years practical experience in monitoring progress of project activities related to pollution abatement works, including monitoring the water quality and pollution load impacts of these works. Experience and knowledge of water quality monitoring instrumentation. Actual development of such an instrumentation network is desirable.	Rs. 40,000/- to 75,000/- consolidated

2. The selected candidates will be posted at New Delhi.

3. Applications must include photocopies of relevant certificates in proof of their educational qualification and experience. Applications received after the stipulated period will not be considered.

4. Candidates are also required to state any involvement or interest that is in direct or indirect conflict with the duties to be performed. Any involvement or interest declared would be carefully considered but would not automatically bar the applicant from being further considered in the selection process.
5. Based on the response received, suitable candidates will be short listed and called for interview.
6. Interested candidates may submit application in a sealed envelope clearly superscribed as "Application for the post of - - - in the PMG for NGRBA project to the **Section Officer(Admn.), National River Conservation Directorate, Ministry of Environment & Forest Room No. 137, First Floor, Paryavaran Bhawan, CGO Complex, Lodi Road, New Delhi-3 upto 3.11.2010.**
7. Late submissions or submissions that do not conform to the above requirements will not be considered.
