All Regional Offices,  
Ministry of Environment and Forests.

Sir,

**Sub.: Clearances under FC Act, 1980 : Deposition of funds with the Ad-hoc CAMPA : Remittances to precede 2<sup>nd</sup> stage clearance.**

I am directed to say that the issue of ensuring the deposition of funds by User Agencies with the Ad-hoc Compensatory Afforestation Fund Management and Planning Authority (CAMPA), in compliance of the conditions stipulated in the 1<sup>st</sup> stage (in-principle) clearance for diversion of forest land, under the provisions of the Forest (Conservation) Act, 1980, has been under consideration of the Government for quite some time. The issue was deliberated upon in the 15<sup>th</sup> meeting of the Ad-hoc CAMPA, chaired by the Director General of Forests & Special Secretary, on the 23<sup>rd</sup> August, 2010 wherein following decision was taken . :

The 2<sup>nd</sup> stage approval under the Forest (Conservation) Act, 1980 should not be formally conveyed until the CA, ACA, PCA, CAT, NPV funds, etc. are CAMPA before 2<sup>nd</sup> stage clearance under the Forest (Conservation) Act, 1980 has been started.

3. The question came up for further consideration in the 16<sup>th</sup> meeting of the Ad-hoc CAMPA on 17<sup>th</sup> January, 2011 and the following was decided :

*It was considered that the procedure had been put in place only in respect of the approvals granted by the Ministry (proper). It was decided that the procedure should be replicated, forthwith, in respect of approvals granted by the Regional Offices of the Ministry under their delegated authority.*

4. I am, accordingly, to convey that Stage-II clearances for diversion of forest land under the provisions of the Forest (Conservation) Act, 1980 which are within the delegated authority of the Regional Offices of this Ministry should not be conveyed until it is ensured that the funds on account of CA, ACA, PCA, CAT, WL, and NPV are actually credited to the State specific CAMPA accounts maintained by the Ad-hoc CAMPA in New Delhi.

5. For the purpose of ensuring the implementation of the decision of the Ad-hoc CAMPA as above, I am to request that as and when a report in compliance of the conditions stipulated in the in-principle (1<sup>st</sup> stage) clearance is received from the State Forest Department, a report may be sought from the undermentioned, preferably through e-mail, viz. :

Officer on Special Duty,

- (b) OSD, Ad-hoc CAMPA is under instructions to send a report on such requests for confirmation of receipt of CAMPA funds, within 3 working days. Any delay on this account may be reported to the IGF(FC) in the Ministry of Environment and Forests.

7. I am directed to request that the above procedure, for ensuring remittance of funds to the Ad-hoc CAMPA before 2<sup>nd</sup> stage clearance may be put in force immediately.

Yours faithfully,

Subj: **Clearances under Forest (Conservation) Act, 1980 :  
Deposition of funds with the Ad-hoc CAMPA :  
Remittances to precede 2<sup>nd</sup> stage clearance.**

Sir,

Following deliberations in the meetings of the Ad-hoc Compensatory Afforestation Fund Management and Planning Authority, instructions were issued to all concerned vide circular letter No.12-2/2010-CAMPA dated 22<sup>nd</sup> October, 2010, 13<sup>th</sup> May, 2011 and 24<sup>th</sup> June, 2011 (copies enclosed) to the effect that before 2<sup>nd</sup> stage clearances for diversion of forest land under the Forest (Conservation) Act, 1980 are issued, it will be necessary to seek a confirmation from the Ad-hoc CAMPA that the funds have actually been deposited in the designated Savings Bank accounts.

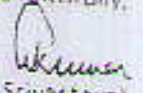

2. While the arrangements are, by and large, working satisfactorily and are subserving the purpose of ensuring the proper deposition and accounting of funds in the State CAMPA accounts maintained by the Ad-hoc CAMPA, the following issues require yet to be addressed, viz :

- I. in many cases, the funds received from different User Agencies as compensatory afforestation funds are clubbed together, and then transferred to the State CAMPA accounts maintained by the Ad-hoc CAMPA. This presents difficulties in identification & location of the funds deposited by the individual User Agencies. It is necessary that funds are deposited in the designated accounts maintained by the Ad-hoc CAMPA, Project-wise immediately as they are received from the User Agencies. Clubbing of funds for different projects must not be done ;
- II. where the funds have already been clubbed together, the Project-wise and component-wise break of the deposited compensatory levies will be a must. Without this break up, it will not be possible for the Ad-hoc CAMPA to certify the receipt of funds ;
- III. compensatory levies are still being deposited in Current Accounts instead of the Savings Bank accounts of State CAMPAs. It should be ensured that the funds are deposited, preferably through the RTGS/ IFSC mode in the Savings Bank accounts of respective State CAMPAs. Where User Agencies have already been asked to make deposits in the Current Accounts, they may kindly be addressed individually to make the deposits, instead, in the Savings Bank accounts ;
- IV. in some cases funds deposited with the Banks in the States remain with them for long periods, without transmission to the designated Banks/ accounts in New Delhi. This is not desirable. It should be ensured that the funds should be deposited directly with the designated Banks/ accounts, and in exceptional cases where the deposits

are made in the Banks in the States, the immediate transmission of the funds to the designated banks/ accounts in Delhi should be ensured

It is requested that appropriate instructions may kindly be issued to all concerned to follow the above instructions scrupulously, so that the process of clearance under the FC Act, 1980 is expedited.

Yours faithfully,
