			<p>M/s Tina Rubber &amp; Infrastructure Ltd is importing material for its Panipat plant on the NOC of Wada Plant.</p> <ul style="list-style-type: none"> <li>• Further the additional Commissioner of Custom has sought clarification from the Ministry whether the NOC granted vide O.M No. 5-22/2010 HSMD dated 08.04.2015 to M/S Tina Rubber &amp; Infrastructure Ltd is valid for import and utilization for its <b>Wada plant only</b> or it <b>can be utilized for other plants</b> also as mentioned as branches in IES.</li> <li>• M/S Tina Rubber &amp; Infrastructure Ltd has clarified that they have six plants in India at different location. It is quite often that material is not available at one location and if available many times vessel from that port is not available. If there is</li> </ul>	

<b>Sl. NO.</b>	<b>File No. &amp; name of Company</b>	<b>Item</b>	<b>Documents enclosed with the application</b>	<b>Date of receipt of applications</b>
			<p>a shortage of material at one plant they transfer material from other plant and do stock transfer after the receipt of material. So they import material on NOC of one plant and transfer that material to the other plant.</p> <ul style="list-style-type: none"> <li>• On analyzing the above two situations, it has been observed that such kind of import is creating confusion for Custom as importer details are different from NOC details”. On the other hand it gives flexibility to M/S Tina Rubber &amp; Infrastructure Ltd in controlling its logistic cost and material availability.</li> </ul>	

### **AGENDA NO.2.5: IMPORT OF OIL.**
