The application was considered in the 75th Meeting of the Expert Committee held during 16th and 17th January 2017 with regard to request for the amendment in the “Permission/ No Objection Letter”, in respect of inclusion of additional “Country of import/export”. The applicant has stated that they have one additional “Processing Units repairing centre” now operational at “Australia” and the applicant wish to send some of the faulty “Processing Units” to their repair center in “Australia’ as well , for repairs and subsequently import back ‘Refurbished Processing Units/ Medical Devices’ from Australia. Following was the recommendation of the committee:

“While going through the application the Committee noted discrepancy in the instant letter vis-à-vis the permission letter dated 11th March 2016 issued by this Ministry. The Committee recommended calling the applicant for clarification on the aforesaid issue”. The applicant has now confirmed for presentation.
