OFFICE MEMORANDUM

Subject: Import/export of hazardous waste under Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008

To ascertain ease of processing of applications with respect to import /export of hazardous wastes including second hand Electrical and Electronic Equipments (EEEs) under Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2008, it is to inform that following become applicable with immediate effect:

- i) With respect to EEE for personal use and those exported for repair abroad and re-imported after repair which doesn't go to the Expert Committee (EC), concerned Joint Secretary will be the delegated authority for granting the permission.
- ii) For other items under Schedule III A and IIIB which are approved on the basis of recommendation of EC, concerned Special Secretary/Additional Secretary will be the delegated authority for issuing the permission.
- iii) The applications of EEE for personal use and those being re-imported after repair will be processed at every 15 days.

This issues with the approval of Competent Authority.

(Dr. Shruti Rai Bhardwaj)
Joint Director/ Scientist 'D'
